Happening around the State

American Flag Donation

The members of the Hammond Veterans Memorial American Legion and Auxiliary Post 05 has donated over \$500.00 to the Trinity Baptist Church in Hammond . Our members are helping the church honor our veterans by displaying the American flag every day of the Year.

(L-R) Haskell Powell, Post 2nd Vice Commander, Johnny Compton, Church Deacon, Derek Wall, Associate Pastor, Bryon Newton, Post Commander, Edward Shields, Post Chaplain.

President's Corner

The DEC Workshop is scheduled for Saturday, July 24th. If you received Department President Jackie's pin, you would see it has a buggy on it. That buggy represents Churchpoint, LA where Jackie is from and the home of the Buggy Festival. This year each district will be asked to design and decorate a buggy that represents a festival in your district! We would like everyone to wear clothing, hats, accessories, etc that represent those Louisiana festivals during the workshop. Be creative! At the workshop everyone will announce what festival their district will be representing. Grab your positive energy and vibes and get ready for lots of learning and fun!

Please bring items for door prizes, Silent Auction & individual packaged snacks & drinks to share.

Community Service **National Security**

Please bring Smoke Detectors to DEC/ Workshop to be donated to Veterans.

Thank you to Unit 289 that donated two smoke detectors at State Convention.

NATIONAL CONVENTION
